5 July 2017

CTP/2017/SC/47

Through the Principal,

Dear Parents/Guardians,

NEWSPAPER COLLECTION DRIVE

Promoting environmental awareness to the pupils has always been a part of Clementi Primary School's way of life. Pupils are made aware of the importance of environment conservation through various green projects carried out in the school.

Last year, our school managed to collect about 1400kg of old newspapers. This year, the school will continue with our yearly newspaper collection donation drive to reinforce the message of recycling as a part of the pupils' daily lives.

This annual school event will be held from 7 July 2017, Friday to 18 August 2017, Friday. The dates for the recycling activity will be as follows:

Primary 5 & 6	7 July 2017	to	21 July 2017
Primary 3 & 4	24 July 2017	to	4 August 2017
Primary 1 & 2	4 August 2017	to	18 August 2017

Pupils may place their newspapers at the collection point which is located at the foyer or at Level 1 lift lobby.

We look forward to your continued support. Thank you very much.

Yours sincerely,
Mdm Jessie Ong
Teacher-in-charge
