Dear P5 Parents / Guardians

**Indication of Interest**  
**for the Clementi Primary School Overseas Immersion Programme**  
**for Primary 5 Clementians**

The Clementi Primary School Overseas Immersion Programme (OIP) is a signature programme of the Mother Tongue Languages (MTL) department. A group of Primary 5 Clementians who have displayed exemplary learning attitude during the MTL, Social Studies and Character and Citizenship Education (CCE) lessons will be selected to participate in this programme. We hope that through the interactions with the people in the regional countries, the participants will appreciate the cultural similarities and differences between Singapore and our regional neighbours, thus developing their global awareness and cross-cultural skills and sensitivities.

Chaperoned by our teachers, the participants will be immersed in local schools where they will interact with the pupils and experience classroom learning. They will also visit cultural and historical sites to enrich their understanding of the local culture and history.

This year, the school has identified three destinations. The **travel dates stated are tentative** as we are in the procurement process of sourcing for travel agencies. For Singaporeans, the tour fare will be subsidised.

Date	Destination
5 – 7 September 2018	Penang, Malaysia
5 – 8 September 2018	Ho Chi Minh City, Vietnam
5 – 11 September 2018	Shanghai, Suzhou and Hangzhou, China
