Through the Principal

Dear Parents/Guardian,

POST-PSLE PROGRAMMES 2017

A series of activities has been planned to engage our Primary 6 Clementians meaningfully after the PSLE.

The Post-PSLE programmes will be in line with the following theme and objectives:

Theme : **Dare to Dream**

- Objectives :
- (i) Pupils are able to explore the different types of skills.
 - (ii) Pupils are more aware of the future challenges in life.
 - (iii) Pupils are able to vision their journey to reach their dreams.

The programmes and activities planned allow the pupils to explore their talent and potential on areas that are beyond the textbooks, which is in line with the SkillsFuture initiatives.

Please refer to Annex A for the schedule of the Post-PSLE programmes this year. The pupils are to attend school at the usual time. There are some activities conducted out of school and any activities that will extend beyond the normal curriculum time would be indicated in the schedule. We appreciate it if you could complete the collated consent Reply Slip by **Thursday, 5 October 2017**. A briefing to the pupils will be conducted prior to the activities held. Do get your child to communicate with you on what was briefed and find out more on what they have done after the activities. This will be a great chance to bond with your child after PSLE!

Thank you for your support in your child's primary school journey. I wish your child all the best in his/her future endeavour. If you need any clarification, you may contact me at 6779 7449.

Yours sincerely,

Siti Aisha Said (Mdm)
Year Head (Upper Pr)
