Dear Parents/Guardians

Annual Science Practical Test 2017 (P3 to P5 Pupils)

Please take note of the following details with regard to the administration of the annual Science Practical Test for all P3 to P5 pupils.

LEVEL	DATE	DAY	TIME	VENUE
P3 to P5	22 August 2017	Tuesday	7.30am – 9.30am	School Hall

CCA will be cancelled on that day for all P3 to P5 pupils. Pupils will be rostered to take the test in the school hall from 7.30am onwards. Once they have completed the test, they will return to their respective classrooms for their usual lessons.

This Practical Test constitutes 10% of the Year-End Assessment Science marks. The pupils will be tested on simple practical skills (Process Skills) such as observing, comparing, classifying, etc. which they have learnt during their Science lessons.

Should your child be absent on that day for a valid reason, please ensure that the medical certificate is submitted to your child's Science teacher as soon as possible. There will be no re-test for absentees on another day. Absentees without valid reasons (E.g. medical certificate) will forfeit the 10 marks in the test.

Thank you very much.

Yours sincerely,
Ms Er Yen Ru
Head of Department (Science)
