Dear Parents/ Guardians,

Changes in Prices of Set Meals

In collaboration with the Health Promotion Board (HPB), our school has been encouraging Clementians to eat a balanced healthy diet. The school canteen sells set meals with brown rice / noodles, vegetables, protein and a portion of fruit. As required by the HPB, the canteen vendors also use oil, sauces and other ingredients that carry the Healthier Choice Symbol (HCS) in their daily food preparation and cooking, which tend to be costlier than those without the HCS. As the prices of fruits and vegetables have increased in recent months, we wish to inform you that with effect from **1st February 2018**, there will be an increase of ten cents for set meals and certain food items sold in the school canteen.

Prices for the set meals will range from **\$1.30 to \$1.60** while prices for the snacks and beverages will remain unchanged.

We seek your understanding and cooperation in ensuring that your child/ ward brings sufficient pocket money to school for his/ her meals.

Thank you for your support.

Yours sincerely,

Ms Rebecca Chua
