18 July 2018

CTP/2018/CCE/071

Through the Principal

Dear Parents/Guardians,

### **Racial Harmony Day 2018**

The school will be commemorating Racial Harmony Day on **Friday, 20 July 2018**. The theme for this year's Racial Harmony Day is "Diversity our Strength". To commemorate this day, we strongly **encourage all pupils to come to school in their ethnic costumes**. If they are involved in any physical activities due to PE lessons, they can come in their costumes and change into their PE attire thereafter.

As part of the celebrations, Clementians will be involved in hands-on activities during their respective recess from **17 to 20 July 2018**. We hope that through experiential learning, our pupils would understand the importance of racial harmony and deepen their appreciation for racial diversity. The schedule for the activities is as follows:

<b>Time</b>	<b>Dates</b>
P1 & P2 Recess (9.30am – 10.00am)	17 July & 18 July
P3 & P4 Recess (10.00am – 10.30am)	18 July & 19 July
P5 & P6 Recess (10.30am – 11.00am)	19 July & 20 July

The hands-on activities include "making" local delights such as Epok Epok, Ang Ku Kueh and Teh Tarik. Pupils will also have the chance to play "old school" games such as Zero Point and Chaptah. Besides that, a few parent volunteers are drawing simple Henna art on interested pupils. We hope that through these hands - on activities, pupils get a better understanding of traditions.

Throughout the week, lessons on the importance of racial harmony will be carried out across all levels during CCE MT periods.

It is essential to nurture greater awareness of one another's cultures and develop a deeper appreciation for diversity to uphold racial harmony in a multi-racial, multi-religious and cosmopolitan Singapore. Through the activities, we hope that the pupils will understand and treasure racial harmony in our society and not take it for granted.

We look forward to your support to make this year's Racial Harmony Day a success.

Thank you.

Yours sincerely,

Mr Eric Huang  
SH/CCE (Internal)
