CTP/2018/P/NP/043

9 May 2018

Dear Parents/Guardians,

### **Make IT Green initiative by HP**

This is a nationwide e-waste campaign in collaboration with National Environment Agency (NEA) and South West Community Development Council (CDC).

Donate your old devices for proper recycling or refurbishment so its valuable parts can be used to build something new. Rest assured that through a data sanitisation process, data in devices is completely destroyed.

More information can be found at:

<https://www.youtube.com/watch?v=OPIM89pxxuM>

For this initiative, HP accepts all-in-ones (AiO), desktops, laptops, tablets, phones and display monitors. The chargers, cables and accessories are required to come in a complete set with the device(s) to qualify for refurbishment. For every device donated, you can receive a S\$50 Online Store voucher (for HP Envy 13 notebook models). Household appliances or "white goods" such as refrigerators and ovens do not qualify for recycling/upcycling.

HP will set up a pop-up booth at Clementi Primary School for collection on the following date:

- Date: Friday, 25 May 2018
- Time: 8:00 AM to 5:00 PM
- Location: Talent's Corner

Booth ambassadors from HP will be present to facilitate the collection drive and address queries regarding the HP Make IT Green campaign as well as the eligibility of device(s) for recycling or refurbishment.

Let's do our part for climate change! Reduce waste and recycle more.

Yours sincerely,  
Mr Chia See Chew Albert  
Principal
