

23 Nov 2020

CTP/2020/AYH/072

Through the Principal

Dear Parents/Guardian,

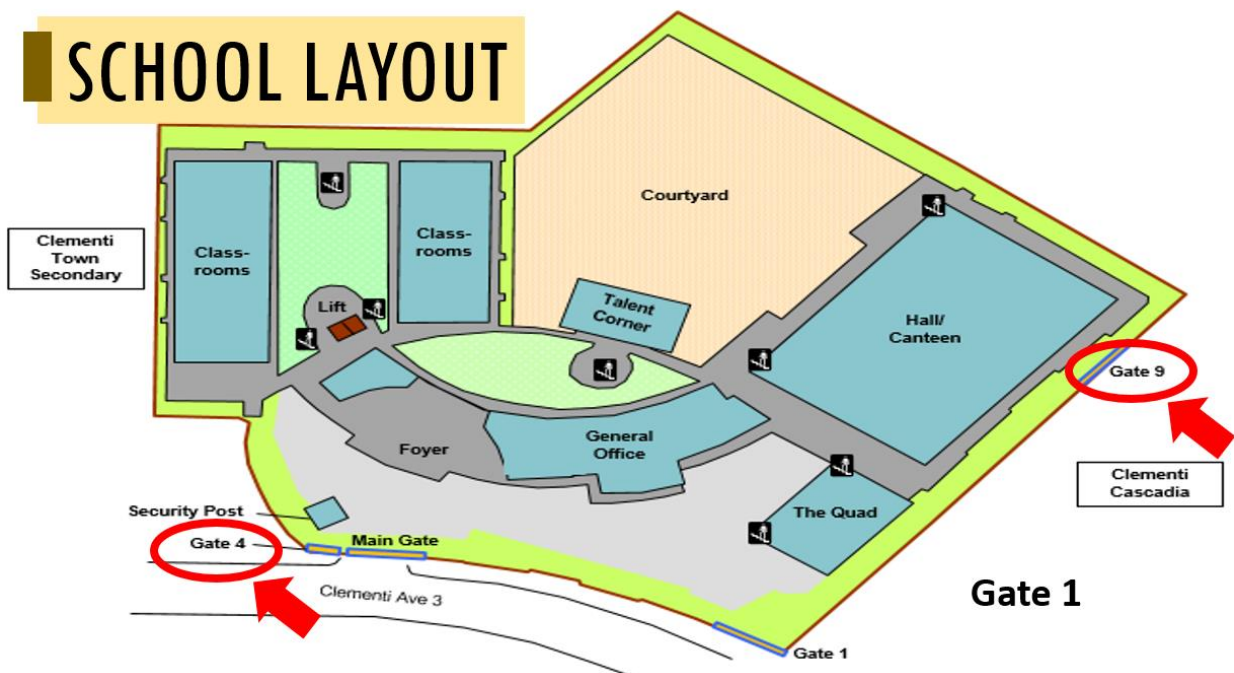

RELEASE OF 2020 PSLE RESULTS

The results of the 2020 Primary School Leaving Examination (PSLE) will be released from 11.00 a.m. on Wednesday, 25 November 2020. Arrangements have been made for Clementians to receive their results in school with safe-distancing measures in place.

To minimise congestion and intermingling, one parent/guardian can accompany their child/ward to school to collect their PSLE results.

Here are the instructions for the collection of results:

- i) All parents/guardians and Clementians will enter the school using Gate 4, located beside the Main Gate. Please scan the QR code for SafeEntry and proceed for temperature screening.

- ii) Parents/Guardians and Clementians from **6 Responsibility, 6 Perseverance and 6 Teamwork** will proceed to the hall to collect their results using the staircase located next to the lift lobby.

iii) Parents/Guardians and Clementians from **6 Initiative, 6 Confidence and 6 Empathy** will proceed to the canteen via the ground floor corridor to collect their results.

iv) All parents/guardians and Clementians will exit the school using Gate 9, located at the canteen.

The Administrative Briefing will be pre-recorded and uploaded on our School Website on 24 November 2020 at 3.00 p.m. There will not be any Principal's address or briefing done on 25 November 2020.

Please note that Clementians who are unwell, or who are on Quarantine Order, Stay-Home Notice or Leave of Absence on the day of the results release should not return to school to collect their results. Instead, they may view their results online via Singapore Examinations and Assessment Board's (SEAB) results release system from 11.30am on 25 November 2020, using the password mailer that was given out on 17 November 2020. Parents/Guardians may appoint a proxy to collect the results and hardcopy form from the school on their behalf within 3 working days.

Lastly, we recognize that PSLE is a major milestone for our Clementians. Regardless of the outcome, it is important for our Clementians to know that they are loved for who they are, and that their grades do not define them. The social and emotional support we provide will be especially valuable and crucial in helping our Clementians manage their emotions and be positive when deciding on their next step of their learning journey.

Here are some helpful tips and suggestions to convey your love and support to your child:

1. Celebrate your child's efforts – not the results – no matter how big or small.
2. Help your child put words to what he/she is experiencing and acknowledge his/her feelings in the moment.
3. Be aware of and manage your expectations, emotions and responses to your child.
4. Refrain from making comparisons, and be mindful of your non-verbal communication (e.g., facial expressions, tone and body language) which your child is sensitive to.
5. Look out for out-of-character behaviours in your child. Please refer to the attachment below for more details.
6. Continue to have open conversations with your child to discuss his/her interests and choices.
7. Go through the Education and Career Guidance resources which your child will receive through his/her school and access the MySkillsFuture Student Portal (Primary) for more information on schools, courses and career options.

For more resources on providing social and emotional support, affirming your child, and supporting your child through the transition to secondary school, you may refer to the file attached or the web links below.
