Integrity • Respect • Excellence

RELATING TO OTHERS

Build your child's interpersonal skills by:

- Modelling the use of friendly and polite phrases
 - “Hello! My name is... what is your name?” or “May I please...”
- Providing opportunities for your child to share and take turns during playtime with other children.
- Teaching them coping mechanisms (e.g. deep breaths, quiet corner, stop-think-do) to enable them to manage their emotions.

DEVELOPING GOOD HABITS

Routines help children learn to manage themselves.

Guide your child to do the following independently:

- Keep to a regular bedtime
- Make healthy food choices
- Pack their bag
- Dress themselves
- Buying food at the canteen

NURTURING +VE LEARNING ATTITUDES

Developing the right learning attitude in your child will help them to transit smoothly into the learning routines in primary school.

You can encourage your child to:

- Ask questions about their experiences and the world around them.
- Express their thoughts and feelings about and discuss what can be done if they have worries.
- Practice life skills independently (e.g. buy food and drink on their own, ask for permission etc).

CREATING A CONDUCTIVE HOME ENVIRONMENT

A Space Of My Own

Create a comfortable space at home for your child to do work quietly. Praise your child when you notice him or her using this space to complete work on their own.

Your child can use the space below to design their study spot.

Set up a conducive home environment so that your child can learn both at home and in school:

- Encourage your child to learn English and their Mother Tongue, through picture books, language games or songs.
- Set aside space in your home where your child can read and finish their homework.
