Through the Principal

Dear Parents / Guardian,

RE: Learning Mathematics beyond classrooms for Primary 1 and Primary 2

We would like to update you on the Mathematics resources the school would be using in 2020 to encourage our Clementians to practise self-directed learning and foster greater interest in the learning of Mathematics.

1) +Add-venture in Maths! Magazine

+Add-venture in Maths! Magazine is a local Mathematics magazine that supports the learning of Mathematics in fun and meaningful ways. Every Primary 1 and 2 Clementian will receive a set of 16 issues throughout this year, fully paid by the school. Parents are strongly encouraged to use the activities in the magazine to reinforce learning and/or deepen understanding of Mathematical concepts. There are also ideas for parents on how to help your child/ward learn Mathematics in authentic settings.

In addition to the print version, your child/ward will also be given an account to access the application software "App-venture" which the school has subscribed to. The App-venture has self-marking feature and interactive games which we hope will motivate Clementians to learn Mathematics anywhere and anytime, thus inspiring them to be self-directed and keen learners. Please sign up for your account at www.add-venture.com.sg/app-signup and you will receive an email with login details. Should you have any problems with access to the App, please email support@add-venture.com.sg.

2) Online Mathematics Portal - MonsWorld

Every Primary 1 and 2 Clementian will be given an account to access the online Mathematics Portal, MonsWorld. Please refer to the login information below to access homework set by teachers. You may also choose to subscribe to MonsWorld for access to a full-featured account.

URL	www.monsworld.com
USER ID	AAAAA9999A AAAAA → first 5 characters of your child/ward's name 9999A → last 5 characters of your child/ward's birth certificate
PASSWORD	Same as USER ID
EXAMPLE	Pupil's Name: TAN BENG HOCK Pupil's BC: T0123468Z User ID: TANBE3468Z Password: TANBE3468Z

For any technical support, please email MonsWorld at support@sltg.com.sg or call 9627 7843 (Monday to Friday, 9 a.m. to 6 p.m.).

We look forward to your support and partnership in your child/ward's learning of Mathematics.

Yours sincerely,
Mrs Lee Jun Wen
