Dear Parents / Guardian,

### **Online Mathematics Portal - MonsWorld for Primary 3 and 4**

We would like to update you on the online Mathematics Portal, MonsWorld, the school would be using in 2020 to encourage our Clementians to practise self-directed learning.

Every Primary 3 and 4 Clementian will have access to a full-featured account, fully paid by the school. The full-featured account allows them to revisit concepts and enhance mathematical processes through games. As parents, you can set homework for your child/ward by activating the 'Schedule Homework' function in your child/ward's account. The system will personalise a weekly homework based on the learning needs of your child/ward.

Please refer to the login information below:
