f. Through the Principal

Dear Parents/Guardian,

Racial Harmony Day 2020

The school will be commemorating Racial Harmony Day on Tuesday, 14 July, as part of the National Education Programme. It is essential to strengthen the collective identity of Singaporeans and cultivate strong relationships with diverse individuals and groups.

On this day, the specially crafted activities are organised for our Clementians to heighten their understanding that Singapore's existence is very much dependent on the foundation of racial harmony and social cohesion.

The theme for this year's Racial Harmony Day is "Multicultural Singapore". To commemorate this day, we strongly encourage **all Clementians to come to school in their ethnic costumes and participate fully in the class-based activities** which the school has planned. Clementians can come in their PE attire and change into their costumes if their PE lesson is held before recess.

We have lined up the following activities for our Clementians to commemorate this event:

1. E-assembly for all levels to be broadcasted in class
2. SLS bingo game to deepen Clementians' understanding on the collective identity of Singaporeans and to reinforce the importance of racial harmony
3. Form Teacher Guidance Period (FTGP) lesson to facilitate class discussions on being a good friend to different races.

We look forward to your support to make this year's Racial Harmony Day a success.

Yours sincerely,

Mrs Yu Jiehui
HOD Character and Citizenship Education

A Leader. A Keen Learner. A Friend.
