5 February 2020

CTP/2020/P/VP/023

Dear Parents / Guardian,

Step Up of Precautionary Measures for 2019-nCoV

You would have read from MOE Press Release <https://www.moe.gov.sg/news/press-releases/additional-precautionary-measures-against-the-2019-novel-coronavirus-infection> that schools will be taking additional measures to minimize congregation of students in large numbers.

Starting from today, the school has implemented the following precautionary measures against the spread of 2019-nCoV.

1. The school will not be holding Morning Assembly in the courtyard. Clementians are to report directly to their classrooms for the singing of National Anthem and Pledge taking. Recesses have been staggered.
2. Mass cohort activities will be suspended or cancelled. More information on level-related activities will be communicated to the parents/guardian of the respective cohorts in a separate notification.
3. All visitors to the school will need to have their temperature checked and declare their travel history at the security post before entry to school is allowed. Morning car drop-off and after-school pick-up will proceed as usual, if you do not exit from your vehicle.

CCAs and after-school programmes will carry on until further notice. Please be assured that adjustments to reduce group size of the activities will be made where necessary.

MOE is constantly reviewing precautionary measures to ensure that our schools remain a safe and healthy learning environment for all our students. It is important to ensure that our Clementians practise good personal hygiene, be socially responsible and always look out for and support one another. If your child is unwell, please bring him/her to see a doctor and rest at home until he/she fully recovers before returning to school.

Let us work closely together for the well-being of our Clementians.

Yours sincerely,

Mr Chia See Chew, Albert
Principal
