5 February 2020

CTP/2020/P/VP/026

Dear Parents / Guardian,

Update on Primary 3 Level Activities

With reference to our school notification, 'Step Up of Precautionary Measures for 2019-nCoV', dated 5 February 2020, we would like to provide an update on the status of the activities.

The following P3 programmes / activities scheduled from **now till early April** will be suspended until further notice.

1. **SwimSafer Programme** - Swimming at Clementi Swimming Complex will be replaced by theory lessons in the classroom. Clementians are to come in PE attire.
2. **Lesson at Science Centre on Insect Mysteries**
3. **Learning Journey to Kok Fah Technology Farm**

CCAs and after-school programmes will carry on until further notice. Please be assured that adjustments to reduce group size of the activities will be made where necessary.

MOE is constantly reviewing precautionary measures to ensure that our schools remain a safe and healthy learning environment for all our students. We will inform you should there be any updates.

Yours sincerely,

Mr Chia See Chew Albert
Principal
