

Webinar: In-Conversation with Principal Session on 28 October 2020, Wednesday 5 to 6 p.m.

In this webinar, you will get to hear from our Principal on three key topics. First, understanding the MOE Educational pathways and knowing how to make the best for your child. Second, we would be sharing our approach in Blended Learning for 2021. Lastly, how parents and school can work together to ensure that our Clementians are able to navigate the online space confidently, use technology healthily and make the right choices in the online world.

We would also like you to browse the following materials before attending the webinar.
