Dear Parents / Guardians

Home-based Learning for Primary 3 and Primary 4 Clementians

As communicated in the Term 2 Notification to Parents dated 15 March 2018, we will be having Home-based Learning (HBL) for the Primary 3 and Primary 4 Clementians on the following dates:

Primary 3	Monday 7 May 2018	Primary 3 Clementians are not required in school
Primary 4	Monday 14 May 2018	Primary 4 Clementians are not required in school

The objectives of the HBL is to offer Clementians an alternative learning experience facilitated through technology and promote self-paced learning where they can revise key concepts and complete learning tasks independently. To encourage Clementians to achieve mastery of the required knowledge and skills, there will be no limit to the number of times they can attempt the tasks. The online assignments will be made available for a week, starting from the day of the HBL. The details are attached in the Annex. Clementians can also access the links to the online assignments via Google Classroom.

If you do not have internet access, please inform your child's Form Teachers via Class Dojo or email so that he/she can complete the assignment when he/she is back in school.

We look forward to your support.

Yours sincerely

Mr Chia See Chew Albert
Principal
